THE ABSOLUTE MOST FEATURE-RICH, FREE TYPEFACE AROUND

MARGAUX

LOVING CRAFTED BY

BATTLE AXE INC.

MARGAUX was born out of observing my own lack of typographical understanding—both in letterform construction and the technological creation of a font file. To remedy this deficiency, I set out to design a full featured, minimalist, geometric face for both print and screen.

Subtle detail in glyph terminal allignment and diagonal stroke consistancy increase readiblity and improve letter harmony without sacrificing each character's unique shape. It took a long time.

Featuring:

- 7 weights
- Roman and *Italic* versions
- Extended latin character set
- Common ligature support
- OpenType fractions
- Standard/positional alternate numerals
